<b>Introduction About Me:</b>	<p style="text-align: center;">         My name is Sallyann Beedham and I am fully qualified nurse associates, registered with the nursing midwifery council. I started my career as an auxiliary for the NHS 25 years ago. I then passed my NVQ level 2 and 3 and was very happy for many years. 15 years ago, I decided I wanted to do something different, so I went and joined Strensall District Nurses, which I was very happy doing. Six years ago, I decided to go work in a GP practice, where I am currently. Alongside my work At the GP practice, I decided to start S B mobile ear irrigation. Due to general practice stopping the service, I am fully insured and follow strict guidelines to make sure the service runs smoothly, confidentiality and discretion are always kept. I am also very friendly and approachable.       </p>
